For stay in the city centre I would recommend „Radi un draugi” and „Konventa sēta” - 5-7 min walking distance from the trolleybus stop (no 15; 6 stops to the faculty of social sciences Lomonosova street 1);

Booking should be done individually.

For PhD students I would recommend

Hotel Prima – 5-10 min walking distance from faculty, 5-6 trolleybus stops from the city centre; we should book in advance.

From 5 LVL (2-3 students share WC facilities, separate bedrooms) to 15 LVL; breakfast is not included; there are cooking facilities on each floor.
